

**Fairfax County Public Schools**

**School Innovation and Improvement Plan At-a-Glance**

**2021-2022**

**Chesterbrook Elementary**

**Region 2**

**Stacy Kirkpatrick, Principal**

<b>End of Year SMARTR Outcome - Goal 1 - Student Achievement: Mathematics</b>
By June 2022, the number of Tier 2&3 students in mathematics will decrease school-wide by 10% over baseline.
<b>Strategy 1</b> Chesterbrook's K-6 teachers will utilize the math workshop model to provide Tier 1 instruction for all students.
<b>Strategy 2</b> Grade level teachers will use data to inform our practice to provide math interventions and/or enrichment.
<b>End of Year SMARTR Outcome - Goal 2 - Access and Opportunity: AAP Tier 1 Access to Rigor</b>
During the 2021-2022 school year, all K-6 students will receive access to rigorous instruction utilizing through weekly applications of the AAP Tier 1 Access to Rigor opportunities noted in the Planning and Pacing Guides.
<b>Strategy 1</b> K-6 grade level teams will collaboratively decide on how to embed rigorous instruction with access for all students in weekly plans.
<b>Strategy 2</b> The AART will support K-6 grade level teams in their CLT planning and will provide guidance on AAP curriculum resources.
<b>End of Year SMARTR Outcome - Goal 3 - Portrait of a Graduate: Global and Ethical Citizen PBL</b>
During the 2021-2022 school year, all K-6 students will participate in one PBL opportunity aligned explicitly with POG skills for students.
<b>Strategy 1</b> Monthly professional development will be provided during CLTs to support all teachers in utilizing Portrait of a Graduate resources to help students name, notice, and reflect upon their skill development through the use of a PBL.
<b>Strategy 2</b> Staff members will build templates to support all teachers in their delivery of a PBL throughout the school year.
